- The same station cannot be worked more than once per day, but it can be worked again in the following days.

VALID QSOs: 2way EME CW/SSB and Digital Mode

SWL: in this category are admitted also OM stations (licensed Radio amateurs) but only SWL and not transmitting.

EXCHANGE: calls and RST or TMO.

SCORING: 100 points per QSO multiplied by the total number of DXCC Countries PLUS 1 (your country is valid for the computation).

EXAMPLE: 20 QSOs and 5 DXCC countries + 1 means 12000 points. $(20 \times 100) \times (5 + 1) = 12000$

PRIZE: the first 3 OM and SWL of each band and category.

ENTRIES: postmarked no later than 31st of January 2006 to:
