

15th International EME conference

Sponsored by

WWW.WSPLG.COM

16 –19 August Churchill College, Cambridge, UK

The UK Microwave Group are proud to be hosting the 15th International EME conference in Cambridge in August 2012.

Calling all Moon-bouncers and terrestrial radio amateurs – interested in techniques such as SSPAs, LNAs, antennas, etc? This is the conference for you!

The conference web site at eme2012.com has more details, or please take a flyer.
